Dear Participants and
Esteemed Colleagues,

We are pleased to invite you to the Master Course in Heart Failure, which will be held in Skopje from September 25th to 27th, 2025. Organized with the support of London Heart House, Zurich Heart House and endorsed by the Heart Failure Association of the European Society of Cardiology, this course is designed in alignment with the latest guidelines, emphasizing the importance of managing the heart failure patients within a multidisciplinary framework, prioritizing comprehensive care. Continuous education for cardiologists and medical staff is essential to ensure effective management of heart failure patients.

To meet this need, we have partnered with leading European research and educational centers, specifically the Zurich Heart House and the London Heart House. The goal is to establish a top-tier educational program on heart failure for this Master Course in Skopje this year.

This educational program will offer the opportunity to share the latest scientific insights from Europe's leading experts, along with interactive, hands-on training to enhance diagnostic and management skills for heart failure patients.

We warmly invite you to join the Master Course in Heart Failure – Skopje 2025 to expand your expertise, engage with global experts, and enhance your professional network!

Yours sincerely,
Jorgo Kostov, MD, FESC

President of National Society of Cardiology of North Macedonia
